SKU: N/A

Categories: [Steel](#), [Tubing & Pipes](#)

PRODUCT DESCRIPTION

Alloys:

Grade A

Grade B

Specifications:

ASTM A53 / ASME SA53

ASTM A500 / ASME SA500

Diameter: NPS 0.125" -> NPS 26.00"

Length: Per Customer Request

Industries:

Steam Conduction

Air Lines Refineries

Gas Transmission Bollards

High Pressure Applications
