**SKU:** N/A

**Categories:** [Rod & Bar](#), [Stainless Steel](#)

## PRODUCT DESCRIPTION

### Alloys:

303

304 / 304 L

310 / 310S

316 / 316 L

321 / 321 H

317 / 317 L

904 / 904 L

17-4PH

15-5PH

**Specifications:**

ASTM SA276 / ASME SA276

ASTM SA479 / ASME SA479

**Diameter:** 0.125" -> 5.75"

**Length:** Per Customer Request

**Typical Applications:**

Springs

Cutlery

Automotive Trims

Food Processing

Aerospace

Heat exchanger

## **ADDITIONAL INFORMATION**
